Subject: Ballast Water Management Convention 2004, Panama Policy.

Reference:

- a) Law No.41 of 12 September 2016 adopting International Convention for the Control and Management of Ships' Ballast Water and Sediments, 2004;
- b) BWM.2/Circ.46 - Application of the BWM Convention to Mobile Offshore Units;
- c) BWM.2/Circ.52 - Guidance on entry or re-entry of ships into exclusive operation within waters under the jurisdiction of a single Party;
- d) BWM.2/Circ.40 - Issuance of Ballast Water Management Certificates prior to entry into force of the BWM Convention and Ballast Water Management Plans approved according to resolution A.868(20).

1. PURPOSE

- 1.1 The purpose of this Merchant Marine Circular is to inform that the Republic of Panama submitted to the Secretary General of the International Maritime Organization, the accession of the Ballast Water Management Convention 2004, on 19 October 2016; and that the Convention will enter into force on **8 September 2017**.
- 1.2 Furthermore, it provides guidance and instructions to ensure compliance with the Ballast Water Management Convention 2004 and IMO Assembly resolution A.1088(28), adopted by the Republic of Panama by Law No. 41 of 12 September 2016.

2. APPLICABILITY

- 2.1 In accordance with definition of a ship in Article 1.12, the Ballast Water Management Convention **will apply to vessels of any type** including submersibles, floating craft, floating platforms, FSUs and FPSOs.
- 2.2 Once the Ballast Water Management Convention has entered into force **all Panamanian flagged ships** with dedicated ballast water tanks or spaces, shall comply with the following requirements:

- a) Ballast Water Management Plan approved by this Administration.
- b) Ballast Water Record Book

2.3 **Panamanian flagged ships of 400 gross tonnage (GT) and above**, shall carry on board:

- a) International Ballast Water Management Certificate (IBWM Certificate), (excluding floating platforms, FSUs and FPSOs at the location of operation)
- b) Ballast Water Management Plan (BWMP) approved by this Administration, and
- c) Ballast Water Record Book

2.4 As per IMO documents related to the implementation of the Convention BWM.2/Circ.46 - Application of the BWM Convention to Mobile Offshore Units and BWM.2/Circ.52 - Guidance on entry or re-entry of ships into exclusive operation within waters under the jurisdiction of a single Party, Mobile offshore units including Mobile Offshore Drilling Units should be surveyed and issued with an International Ballast Water Management Certificate, according to regulations E-1 and E-2 of the Convention, as applicable.

3. **BALLAST WATER MANAGEMENT SYSTEMS (BWMS)**

3.1 The Ballast Water Management Systems Type approved by other Administrations will be accepted on ships under Panama flag, provided it's been approved in accordance with the Guidelines on the Type Approval process for BWMS (Resolution MEPC.174(58) or Resolution MEPC.279(70) as applicable). Manufacturers interested to obtain approval for their Ballast Water Management System (BWMS) by the Panama Maritime Authority may request a Recognition Certificate for the Ballast Water Management System (BWMS) through a legal representative located in Panama. This request is voluntary, and should be submitted to General Directorate of Merchant Marine with the following documents:

- The list of system equipment limitations, if applicable;
- Certificate of type approval from other Administration;
- Additional supporting document, such as type approvals issued by Classification Societies;
- Test results carried out by the other Administration and/or Classification Society, and
- Official Payment Receipt for USD \$2,000.00

3.2 Recognized Organizations (R.O.) should conduct an additional survey during sea trials of a Ballast Water Management System (BWMS) to confirm the operation and efficacy of the system.

3.3 Ships involved in voyages that include ports in the United States or its jurisdictional waters, shall be fitted with Ballast Water Management Systems accepted by the United States Coast Guard (USCG) according to the timeline set by that Administration.
